CST CUP

For children who consistently demonstrate the principles of Catholic Social Teaching in their behaviour and attitudes.

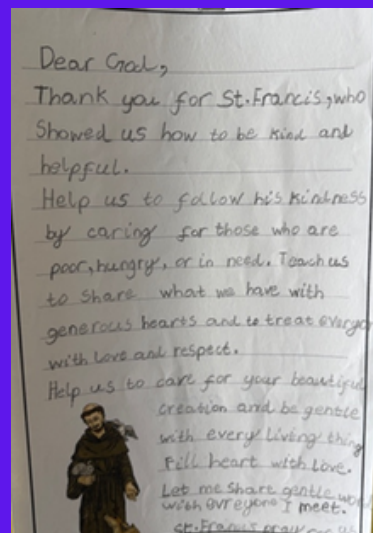

KS1: Arthur in St George. Arthur is always helpful, cheerful, considerate and caring towards everyone in our class. He spreads kindness wherever he goes and always demonstrates respect and compassion for others.

KS2: Siya a wonderful example of the CST principle of Participation. She actively takes part in lessons and school activities, sharing her ideas, listening to others and encouraging her classmates to get involved too. She shows enthusiasm and confidence when contributing, helping to create a positive and inclusive classroom community. Well done Siya.

PREFERENTIAL TREATMENT FOR THE POOR

As we approach Harvest, we are focusing on the Catholic Social Principle of Preferential Treatment for the Poor, and connecting this with St Francis who is the patron saint of the poor. We have some beautiful displays up in which the children have made.

Alanzo in Year 3 wrote this beautiful prayer:

SCHOOL GATES

The school gates will be locked from 15:30. Please ensure you have vacated the playground by this time.

PUPIL RESPONSIBILITIES

I always say to the children that this is **OUR** school and we are all contributing to its operation and continual improvement. Children have been given pupil responsibilities or roles which they take very seriously and impact on the everyday running of the school. They may have badges that they should look after and wear with pride!

CLUBS

Clubs are starting next week. A reminder that the children must be collected promptly at the end time of the club or they forego their place.

They are still available spaces on the payable dance club. This club is for all years and you can apply by clicking here: [DANCE CLUB](#)

Please collect your child as follows:
