

DEAR PARENTS AND CARERS,

It was wonderful to see so many parents at Monday's Meet the Teacher event. Thank you for taking the time to attend and learn more about your child's year ahead.

As parents and carers, you are your children's first and most important educators. Working together in partnership helps us to ensure that every child is happy, supported and able to achieve their very best during their time at school. We greatly value the strong relationships between home and school and look forward to continuing to work together throughout the year.

If you were unable to attend, or would like to revisit the information shared, the presentations are available on our website [here](#):

The Academic Review Day, when you will have the opportunity to have a one to one meeting with the teachers, is on Friday 23rd October.

Wishing you a lovely weekend.
