Homework St David's Class **Friday 16th October 2026**

A quick word of thanks for your generosity with all the harvest donations you have shared; we greatly appreciate it and I know the food bank will be equally as grateful.

A reminder that next Friday is academic review day. Please ensure you have made an appointment to come and see me.

Task 1: English
Please complete the comprehension attached.

Task 2: Maths:
Please complete the double-sided maths sheets that focuses on place value on one side and calculations on the other side.

For both English and Maths, I have included the answers so you can self-assess your work and see where you (may) have gone wrong. Please use these sensibly, it is not for you to cheat but to see where your gaps are.

Task 3: Spellings:
Your spelling list is attached, please ensure you learn the words as well as their meanings.

Task 4: Singing:
I have included the words (along with the link to the song) that we need to learn. Please practise as much as you can.

Our class email address, should you need it is;
stdavid@st-bartholomewsrc-pri.kent.sch.uk

Have a lovely weekend, see you next week.
Mrs Moran
