Homework St David's Class **Friday 9th October 2026**

A reminder that next Friday (16th October) is an Autumn themed own clothes day in exchange for a Harvest donation. Please see Newsletter for further information.

On the final day of term, UKS2 will be holding Ancient Greek day. We will have various ancient Greece themed activities going on across the day. In order to facilitate some of the activities, please could you save and bring in as many old newspapers and large cardboard boxes you can. We're going to need quite a lot!

Task 1: RE/Art

In assembly on Monday, Mrs McRae asked us what we think Our Lady, Mother of St Bartholomew's would look like.
For your homework, on the plain paper provided, I would like you to create an image of what you think she'd look like. I will be making a display of your art work, so please complete your final piece of art work carefully.
I can't wait to see what you come up with! ☺

Task 2: Spellings:

Your spelling list is attached, please ensure you learn the words as well as their meanings.

Task 3: Maths:

Please complete the long division calculations attached. Please set them out as we have been doing so in class. I have provided you with squared paper to help your layout. Don't forget to set out your times tables of the divisor before you begin!

Our class email address, should you need it is;
stdavid@st-bartholomewsrc-pri.kent.sch.uk

Have a lovely weekend, see you next week.
Mrs Moran
