

Term 1, Week 4 Homework

Thank you to the parents and carers who attended our Meet the Teacher evening and joined us in celebrating Mass this morning.
It was lovely to see so many of you there.

Literacy

- Complete the task on Purple Mash relating to Relative Clauses.
- Use your log-in details for edshed.com. We will have our weekly spelling test next Friday.

This week's focus: Words with the suffix '-al'

Maths

- Complete the task scheduled on MyMaths based on Place Value and rounding.,
- Practice your times tables on TTRS for at least 10mins per day; quick recall and fluency will support you in all areas of Maths this year.

History:

We are continuing to explore Ancient Greece in our History lessons. I would like you to research and create a poster about a Greek god or goddess.

Your poster should be creative, colourful and informative, clearly outlining the key facts about your chosen deity.

Your homework will be used as part of our class discussions in the coming weeks. You may choose how to present your poster, either on paper or electronically. As your work will be displayed on our topic board, please ensure that it is colourful, presented creatively, clearly and neatly.

Homework will be set each Thursday for return the following **Tuesday**

Have a great weekend 😊

Mrs Treves and Mrs Wickham

All passwords remain the same - you can continue to access

Purple Mash, EdShed, MyMaths and TTRS.
